Material Safety Data Sheet

We've got your glass covered!

Interleaving Powder for Glass Packaging

CHEMICAL PRODUCT/COMPANY IDENTIFICATION

Material Identification

Trade Name: BL-55 Interleaving Powder
Preparation Date: 11/16/2005
Review Date: 9/01/2009
MSDS Number: BL-001

Company Identification

MANUFACTURER/DISTRIBUTOR
SaberPack, Inc.
471 Apollo Drive, #10
Lino Lakes, MN 55014

PHONE NUMBERS

Product information 1-651-784-1414
Transportation Emergency 1-800-424-9300
Medical Emergency 1-651-784-1414

COMPOSITION/INFORMATION ON INGREDIENTS

Components

Material - This product is a blend of Boric Acid (H_3BO_3) and Acrylic Copolymer; a packaging material (white powder) used to protect flat glass during transport and storage.

HAZARDS IDENTIFICATION

Potential Health Effects

- Skin contact with *Interleaving Powder* products may cause skin irritation with discomfort or rash.
- Eye contact does not cause significant irritation in normal industrial use.
- Inhalation may cause irritation of the upper respiratory tract.
- Ingestion may cause irritation of mucosal surfaces.
- Carcinogenicity: None of the components of this material at concentrations equal to or greater than 0.1% are listed by IARC, NTP, OSHA or ACGIH as a carcinogen.

FIRST AID MEASURES

Inhalation: Remove to fresh air. Obtain medical attention if ill effect persists.
Skin Contact: Wash skin with soap and water. Wash clothes before reuse.
Eye Contact: Immediately flush with eye solution or clean water. Obtain medical attention.
Ingestion: Do not induce vomiting. Give 2 glasses of water. Obtain medical attention.

FIRE FIGHTING MEASURES

Health	Flammability	Reactivity
2	1	0
Flammable properties		
Flash point		300 C
Method		ASTM D1929

Combustible but not readily ignited.

Extinguishing Media

Water, Foam, Dry Chemical or CO_2 .

Fire Fighting Instructions

Wear self contained breathing apparatus and full protective equipment.

ACCIDENTAL RELEASE MEASURES

CAUTION- Spillages may be slippery. Sweep up and shovel into waste receptacle or bag for disposal.

HANDLING AND STORAGE

Handling - Avoid breathing dust. Avoid prolonged skin contact.

Storage - Keep bags closed until time of use. Store at ambient temperature in area with natural ventilation.

EXPOSURE CONTROLS/PERSONAL PROTECTION

Personal Protective Equipment

The use of eye protection is recommended. Approved dust mask should be worn if exposure to high levels of dust is likely. Protective gloves and coveralls are recommended if extensive handling of material is likely.

Exposure Guidelines

PEL	(OSHA)	10 mg/m3
TLV	(ACGIH)	10 mg/m3

PHYSICAL AND CHEMICAL PROPERTIES

Physical Properties

Boiling point	Not applicable
% Volatiles	<1%
Specific Gravity	1.25 – 1.30
Color	White
Form	Powder
Odor	Mild "methacrylate"

STABILITY AND REACTIVITY

Chemical Stability:

Stable

Incompatibility:

Incompatible with strong oxidants, such as nitric acid

Polymerization:

Will not occur

TOXICOLOGICAL INFORMATION

This product has low oral toxicity; may cause skin, eye and respiratory irritation.

ECOLOGICAL INFORMATION

This product is predicted to have low toxicity to aquatic organisms.

DISPOSAL CONSIDERATIONS

Treatment, storage, transportation and disposal must be in accordance with applicable Federal, State and local regulations. Remove non-usable material for disposal in an approved landfill. Do not flush to surface water or sanitary sewer.

TRANSPORT INFORMATION

This Material is not a DOT Hazardous Material or Substance and is not regulated.

OTHER INFORMATION

The information in this material safety data sheet has been compiled from the MSDS sheets provided by each primary raw material supplier.

Disclaimer of Warranty: To the best of our knowledge, the information contained herein is accurate. However, no liability whatsoever is assumed for the accuracy or completeness of the information contained herein. Final determination of use suitability of any material is the sole responsibility of the user. All materials may present unknown health hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.
